

Brady Monahan
University of Illinois at Urbana-Champaign

Brady will be a junior this fall at the University of Illinois Urbana-Champaign studying architecture and minoring in business. As a child, he aspired to be an architect; going to an architecture camp at Taliesin in Spring Green, WI solidified that dream. Currently, he is the club golf team president, works for the campus recreation department, and is a member of the Alpha Rho Chi fraternity. He is excited to see what's to come in my architecture career.
